Dixie's new book, *UNTHINKABLE*, provides support to parents of children who have suffered a traumatic injury.

Dixie and Paul's platform is **helmet safety**, their campaign "it's unthinkable not to wear a helmet" will be the focus of presentations, promotions and merchandise.

it's **unthinkable**
not to wear a helmet™

Dixie Coskie and her son Paul speak at schools, camps, trauma centers, hospitals and rehab hospitals talking about **the consequences and the reality of traumatic brain injury**, and also on childhood cancer.

Why me?

M E D I A

Dixie and Paul appeared on TV and radio, and in magazines and newspapers through recovery, and now as advocates and speakers.

The duo will continue speaking and educating on traumatic brain injury and bringing awareness to TBI and helmet safety through various speaking engagements and fundraisers for children, schools, hospitals, trauma centers, head injury programs, rehabilitation facilities and preventative organizations throughout 2010.

Articles, excerpts, and tips from Dixie's book will be syndicated in print and online.
